## FACILITIES

- 1 large 50 x 21 m Olympic pool with 8 lanes and 1 removable partition wall at 25 m
- A second 15 x 10 m pool
- 3 diving boards:
  - 1 x 1 m trampoline
  - 2 x 3 m trampolines
- 1 x 5 m platform
- 500-seat bleachers

Chartreux swimming pool is situated at the heart of the Henri Terré sports center and the Aube Sports Center.

## An adaptable aquatic center

This center offers training areas for the following Olympic sports: water polo, swimming, synchronized swimming and Paralympic swimming.

The swimming pool comprises one large 50 x 21 m pool with 8 lanes, a removable partition wall at 25 m, a minimum depth of 1.1 m and maximum of 3.85 m, and a second pool, which measures 15 x 10 m with a minimum depth of 0.75 m and maximum of 1.3 m.

There are also 3 diving boards, one measuring 1 m and two measuring 3 m, and one 5-meter platform. There are also 500-seat bleachers.

## A pool accustomed to hosting major competitions

These facilities are designed to host national and international competitions, training camps and regular training sessions.

High-level water polo is a regular feature in Troyes, which hosts regular international training camps.
